

Dear Club Members,

We regret to inform you that, several longstanding committee members, have made the tough decision to stand down from the club this year. They are John Harris Chair, Mandy Walters Club Secretary, Acting Membership Secretary and Shaun Chessell, Treasurer. Please be assured these decisions were not taken lightly by those involved.

With this in mind please find a provisional date for Sutton & District AC AGM. The Management Committee propose this year that the AGM will take place in January due to the current lockdown and due to Management Committee resignations. The delay will give time to see if volunteers come forward to be considered by the Management Committee for these positions. It is vital that volunteers do come forward for the roles, as the club will not be able to continue, without these key roles in place. The lack of volunteers coming forward for vacant roles and support for the roles has meant that there has been considerable overload for those taking on these voluntary roles please do consider the future of your club and step up to support those remaining on this proactive committee.

It is likely the AGM this year will also take place via zoom link. The proposed date is Monday 11th January 2021 at 7.00pm

More information on membership fees and other available roles (a list of roles is below) will be posted in early December. For information the current committee have the opportunity to stand down and re-stand for election if they wish.

Please contact by December 6th clubsecretarysutton@live.co.uk or sadacchair@gmail.com if you are interested in taking on any roles of the Management Committee or Club Officer roles. *Please note that some of the roles below maybe changed or removed at the AGM.*
