However, we are aware that you may have other commitments where you cannot attend the training sessions; if this is the case, please let us know at the induction, so we can discuss these concerns with you at the induction. It is important once you are placed with a coach that you inform them when you are not able to attend. Coaches will also advise if they wish you to attend on additional days to club sessions.

For Health & Safety reasons you will need to sign in with your coach at the beginning of each training session.

ALL ATHLETES UNDER THE AGE OF 12 REQUIRE AN ADULT PRESENT AT ALL TRAINING SESSIONS. There is a café within the centre and we also encourage supervising adults to help and support the coaches if required. A great way to get involved in the club.

Club Coaches

Sutton and District AC has number of qualified track and field coaches; and also has number of assistant coaches. The Club is dedicated to provide high standard of coaching and regularly sponsors the coaches to help them achieve higher level of qualifications and expertise. All our Club Coaches and Assistant Coaches have a valid UKA licence. Additionally, the club ensures that all coaches, officials and volunteers who work with children undergo a Disclosure and Barring Service (DBS) Check in line with UK Athletics practice.

Coaches will try and attend competitions however on occasions they may not be able to commit to this. Please be aware that your coach is a volunteer and will also have their own families and personal commitments so cannot attend all club competitions. They will ensure you have been made aware of warm up.

Please respect your coaches and assistant coaches by listening to instructions before and during training and also be aware of the other coaching groups around you.

Training Guidance

Athletes should bring to each training session the following

- Please wear suitable clothing to training, the training takes place in all weathers. If unsure check with your coach.

- Bring a drink of water (there are free water refilling stations within the centre), to ensure hydration before, during and after training. *(There is a café upstairs at the arena but it can be disruptive during sessions for athletes to disappear upstairs. - Small healthy snack (for refuel after training) – no NUTS please.

For your information Coaches under UKA rules are forbidden to offer pumps to athletes that are not the athletes own prescribed inhaler. Please do not put your child at risk by letting them attend without a pump or required medication. If you are able to provide a named pump we can keep this locked in the clubroom for emergency use. Please ensure your coach is aware if you take any other medication at the time of training. Please ensure you check out safe medication and register the use of asthma pumps - <http://www.ukad.org.uk/support-personnel/tues/>
- Finally, any welfare concerns please do talk to the club Welfare Officers or your coach. Contact information for them is in the clubroom or on our website.

Happy Training! 😊

APPENDIX 1: Athlete Code of Conduct

Athletes are expected to show a positive, respectful attitude for everyone involved in the sport. Criticism and disrespect for officials, opponents, and coaches undermine the purpose of sport and encourage behavior contrary to the spirit of the sport.

Our mission is to provide athletes the opportunity to compete at the highest level commensurate with their individual ability, potential, and interest. An emphasis on fair play and respect for all participants is a primary element of our club's mission. To better achieve that mission, we provide the following Codes of Conduct for all Athletes and Parents.

Athletes Code of Conduct

- Respect the sport and its rules, learn these rules and try to follow them, and compete fairly
- Conduct yourself with honor and dignity and treat other athletes as you would like to be treated.
- Respect the rights, dignity and worth of every athlete, coach, technical official and others involved in athletics and treat everyone equally.
- Anticipate and be responsible for your own needs including being organised, having the appropriate equipment, ensuring you have informed if taking any medication and being on time.
- Inform your coach of any other coaching that you are seeking or receiving.
- Always thank the coaches and officials who enable you to participate in athletics.
- Uphold the same values of sportsmanship off the field as you do when engaged in athletics
- Avoid swearing and abusive language and irresponsible behaviour including behaviour that is dangerous to yourself or others, acts of violence, bullying, harassment and physical and sexual abuse.
- Never engage in any inappropriate or illegal behaviour.
- Avoid destructive behaviour and leave athletics venues as you find them.
- Do not carry or consume alcohol to excess or illegal performance-enhancing substances.
- Cooperate fully with others involved in the sport such as coaches, technical officials, team managers, doctors, physiotherapists, sport scientists and representatives of the governing body in the best interests of yourself and other athletes.

“In all cases the club has the right to refuse or terminate membership of any individual who does not conform to the codes of conduct of the club. There will be a period of suspension in which time an appeal can be made by the individual, the outcome of which will be decided at committee and that decision will be final”

In addition, athletes, especially young athletes and vulnerable adults, should follow these guidelines on safe participation in athletics.

- Notify a responsible adult if you have to go somewhere (why, where and when you will return)
- Do not respond if someone seeks private information unrelated to athletics such as personal information, home life information
- Strictly maintain boundaries between friendship and intimacy with a coach or technical official

- Report any suspected misconduct by coaches or other people involved in athletics to the club welfare officer as soon as possible

As a member of Sutton & District Athletics Club, you are agreeing to abide by the above code of conduct.

APPENDIX 2: Code of Conduct for Parents/Guardians

As a parent/guardian you play a special role in the development of your child. Your encouragement and good example will do more to ensure good sportsmanship and self-discipline than any other influence.

- Support your child by giving encouragement and showing interest in his/her team. Help your child to work toward personal improvement and good sportsmanship. Teach your child that hard work and an honest effort are often more important than victory.
- Always be positive. Children learn more by example than by criticism. Work to be a positive role model, and reinforce positive behaviour.
- Take an active interest in your child's participation.
- Attend training or competitions whenever possible.
- Applaud good performance by other athletes. Do not criticize any child's performance in public.
- Remember that your child is the one training and competing. Children must establish his/her own goals to train and compete for themselves. Take care not to impose unreasonable demands on your child. Let your child experience the fun of training and competing as well as the challenge of success.
- Teach your child to be gracious in victory and to turn defeat into victory by learning and working toward improvement.
- Know exactly where your child will be and who they will be with at all times
- Never make assumptions about your child's safety
- Check out the qualifications and licenses of people who are coaching or managing your child or offering a service connected to athletics such as physiotherapy, massage or nutritional advice.
- Refrain from coaching from the trackside. Those who give coaching instructions often give inappropriate advice at the wrong time. Leave coaching to the coach.
- Remain away from the trackside and club room, keep within the spectator area. You and your child will both enjoy the sport more if you put some emotional distance between yourself and the training track.
- Coaches and Officials are symbols of expertise, fair play, integrity and sportsmanship - Do not openly question their coaching, judgment or honesty.
- Demonstrate a positive attitude and respect towards coaches, officials and other parents/guardians. Never allow yourself to be drawn into a verbal disagreement with coaches, officials or other parents.
- Avoid swearing and abusive language and irresponsible behaviour including behaviour that is dangerous to yourself or others, acts of violence, bullying, harassment and physical and sexual abuse
- Improper behaviour by a parent/guardian may result in being asked to leave the track/venue by a club official.
- Inform your child's coach or team manager of any illness or disability that needs to be taken into consideration for athletic performance
- Provide any necessary medication (e.g. inhalers) that your child needs for the duration of training sessions or trips
- Assume responsibility for safe transportation to and from training and competition
- Return any necessary written consent forms to the club/team manager or appropriate person, including next of kin details, health and medical requirements before your child goes to any away events or trips
- Report any concerns you have about your child's or any other child's welfare to the Club Welfare Officer, Regional, National or UKA Welfare Officers. (This does not affect your right to contact your local social services or the police if you feel it is necessary)
- Ensure that your child does not take any unnecessary valuable items to training or competition

“In all cases the club has the right to refuse or terminate membership of any individual, or in the case of parental behaviour their child, anyone who does not conform to the codes of conduct of the club. There will be a period of suspension in which time an appeal can be made by the individual or parent, the outcome of which will be decided at committee and that decision will be final”

As a parent/guardian of a member of Sutton & District Athletics Club, you are agreeing to abide by the above code of conduct.
